

NEED HELP FUNDRAISING? EVERYBODY LOVES GREAT TASTING COFFEE

A lot can grow from a handful of beans.

Two things require nurturing and support to grow; coffee beans and communities. I'm committed to helping local communities by offering wholesale prices to groups looking for fundraising opportunities.

I also provide support material and order form templates, to help your fundraisers collect more money.

- There are no hidden fees.
- No delivery charges.
- No extra charges for things like grinding.

But wait! There's more...

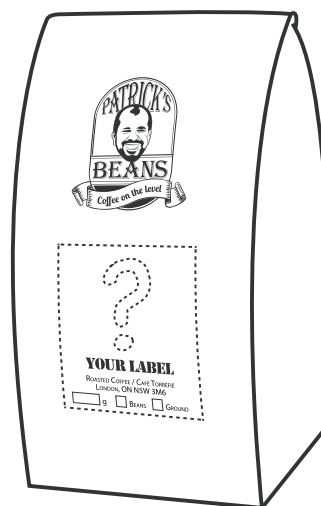

As with all my beans, I donate one percent of every pound of coffee roasted to the Beanstalk Project™.

Here's how you make money...

BAG OF COFFEE	YOU PAY	YOU CHARGE*	YOUR PROFIT
½ lb.	\$ 5. ⁵⁰	\$ 8. ⁵⁰	\$ 3
1 lb.	\$ 10	\$ 15	\$ 5

* These are simply suggested prices. You can charge whatever you like.

This covers the creation of the custom stamp; you'll have to provide your own design. Specs for designing your own custom label are available on request.
